4. Administrative Reports

A. President's Report –

MCC's Veterans Program is tomorrow at 2:30 in the Health and Wellness Center. The Holiday Brunch is Thursday, December 8.

Thank you to Dr. Crandall for recommending President Selmon to the Paul Harris award. Dr. Selmon was recognized for 10 years of service at MCC.

Dr. Selmon joined the Greater Muskegon Economic Development Board (GMED).

Trustee Cook and President Selmon attended the Association of Community College Trustees (ACCT) conference in New York City. Key takeaways were conversations about helping students with essential needs. A barrier students may face is legal support. Finding better ways to help incarcerated students, support and working with the health care community and getting data information to the Board were discussed.

Trustee Cook thanked MCC and Dr. Selmon for their support in attending the conference. We are excited about the prospect of legal aid to students. Some discussions at the conference were, Board and presidential evaluations, rural colleges, childcare barriers, equestrian programs, mobile internet training units, and housing.

The Accreditation Commission for Education in Nursing (ACEN) visited November 1-3 to review the practical nurse portion of the program. There are four steps in the accreditation process: Submission of the self-study and supporting documentation (September), visit by peer evaluators (November), Evaluation Review Panel (April 2023), and Board of Commissioners review (April 2023) and the final decision will be in May 2023. The site visitors concluded that MCC's practical nursing option is in full compliance. We recognize Chris Patterson for all her work. The site visitors were impressed with our staff. A lot of people were involved in the visit and are thanked for all their help.

The East Lake Division of the American Association of Geographers (ELDAAG) held their annual conference at MCC on October 27th and 28th with 140 participants. MCC and WMU chapters of Gamma Theta Upsilon – International Geographical Honor Society hosted the first ever service event hosted by a community college. Diana Casey and Candy Pickard were recognized for all their work.

1. National Fitness Campaign (NFC)

Jason Shaughnessy presented. MCC has been identified as a possible recipient for an NFC grant based on community need.
