He congratulated administration, staff and faculty for placing 19th in the country for community colleges. He thanked Dr. Selmon and his team for getting the default rates down from 19 percent in 2015 to 11 percent in 2018 – this is fabulous, we are heading in the right direction.

Trustee Frye addressed Ken Long stating, "You will be missed".

Trustee Crandall thanked administration for bringing a freeze on tuition to the Board. They always struggle every year and it is always a difficult time. This is good for the students and relieves the board a great deal.

Vice Chair Mullally agreed with Dr. Crandall, noting that over the years we have struck the right balance. This last year presents a great opportunity to take a break and give students breathing room.

With no further business, the meeting was adjourned.
