V. Administrative Reports

A. President's Report

President Selmon provided some highlights from his report starting with conversations he is having with mental health and medical services providers about leasing the Health and Wellness Center. Several colleges around the country at the ACCT conference were talking about the need for medical health and medical services for their respective communities.

President Selmon shared that he and members of the Executive Leadership Team are having conversations with several interested community members around renovating the MCC tennis courts and adding pickleball courts. The funds to support this effort are targeted to come from prospective donors.

The newly named Frye Veterans Student Success Emergency Fund at MCC will help support veteran students in need of financial support while recognizing Trustee Nancy Frye and her husband Hughie for starting the fund. Brochures will be available at the Veterans Salute Day Celebration on Thursday, November 9th at 2:30 in the Health and Wellness Center.

President Selmon passed around and shared information about several training opportunities for board members and reminded them about some upcoming events such as the celebration of Howmet's grant donation for robots, which increases capacity in the high-demand robotics classes at the STC. The event will take place on Friday, November 3rd at 2:00 p.m. in the STC.

Dr. Wilson shared that we maintain a program to protect the security of our customer information in compliance with the Federal Trade Commission under the Gramm-Leach-Bliley Act. A detailed report is on the Board Portal.

President Selmon provided an update on the MCCA Legislative Committee (LC). The 2023 Legislative Priorities have been completed. The LC will soon be requesting the MCC Board's input on budget/policy issues to include on the voting ballot that will assist the committee in identifying the MCCA's 2024 Legislative Priorities. Dr. Crandall and President Selmon will be following up to collect survey and ballot information from MCC.
